## What's Happening in January

### Survey

Inside you'll find the 2008 Colonial Hills Survey. Please take a few minutes to complete the survey; which will help us set goals and objectives for 2008.

If you bring your completed survey to this month's meeting you will be given 2 chances to win the door prize. If you are unable to attend please see the survey to find one of the four convenient drop-off locations throughout the neighborhood.

Don't forget, you don't have to be a member to participate in the survey. Colonial Hills Neighborhood Association strives to improve our community for all it's residents. Your opinion matters!

### Entrance Marker Committee Meeting

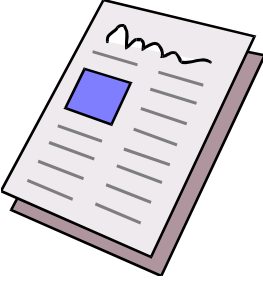

The Entrance Marker Committee meets the 3rd Thursday of each month. This month's meeting will be of particular importance as the committee will be discussing alternative options to repairing and refurbishing of our existing entrance markers.

The brick pillar portion of the project has been placed on hold since we cannot currently meet the city's requirements to begin construction.
